There has recently been an increase in littering around the estate, blocks and the lifts. Please can you ensure that you dispose of your rubbish/litter in the correct manner.

Dear Resident(s),

RESIDENT COMMUNITY ENGAGEMENT SURVEY 2015

Surveys from residents asking 'what improves your quality of life' has revealed that a safe home environment with familiar neighbours, leads to a more content and happy community for us busy Londoners. Communities that have a strong sense of mutual commitments and obligations, has also shown to promote personal and social responsibility, which leads to a united and strong community.

Whether it's knowing a neighbour in your block who is happy to receive your home delivery parcel, finding someone to run 5k around Wimbledon Common during a week day, finding other parents in our community to be 'a back up for school run' when the tube is delayed, or just having someone familiar to say 'hello' to in passing, we all need to find people we can trust to let our week run a little smoother.

We would like to find out what is important to you and your household, so we can engage in our community, and focus our services and attention to what matters to you, today. Please join our campaign by completing the enclosed survey, please share your opinions on what changes you would like to see.

If you would like to complete the online version, then you can download it from our website : <http://www.wimbledonparkco-op.org.uk/downloads/> [Under the sub-heading 'SURVEYS'].

Dead line date for the survey is the 5th July 2015.

Sincerely

Bernard (Chair of Wimbledon Park Co-operative)
