

# CYCLE TRAINING COURSES

Wandsworth Council organise and provide cycle training courses at no charge for children and adults who live work or attend school in Wandsworth. Sessions cover cycle safety, handling, road procedure and the importance of wearing bright clothing and helmets.

Adult courses are for candidates that are 16 years or above and usually consist of at least two sessions, each of two hours duration, the first of which is carried out at venues offering quiet, traffic free area to practice, continuing the next session of supervised cycling on the public highway, depending on the progress of the candidates. Further tuition can usually be arranged with the tutor, directly.

Further information about courses can be obtained from our website [www.wandsworth.gov.uk/cycletraining](http://www.wandsworth.gov.uk/cycletraining) or by telephone (020) 8871 6677.

Please return the form below to Road Safety Team, Wandsworth Council, Town Hall Extension, Wandsworth High Street, London SW18 2PU or email it to [dtsroadsafetyofficer@wandsworth.gov.uk](mailto:dtsroadsafetyofficer@wandsworth.gov.uk).

Child cycle courses are run during school holidays and candidates should be 10 years or above. Courses normally consist of four sessions, each lasting two hours from 10am - 12 noon or 1pm - 3pm.

Please indicate your interest in attending a course by completing the registration form below and returning it as soon as possible, retaining this part of the document for future reference.

## Please note the following conditions and recommendations:

1. Only cycle in vehicular traffic when you have gained suitable experience.
2. Please indicate on the application form any physical or other disabilities or if you are on medication.
3. The council cannot be held responsible for any injuries to participants or for damage to their cycles or clothing, or for injuries to other people or their property.
4. Candidates taking part in training sessions do so at their own risk.
5. To ensure the smooth running of the sessions please make every effort to attend on time.
6. Properly adjusted cycle helmets of the correct size are recommended.
